

Certificate of Compliance

RoHS Declaration and REACH Compliance

Environmental Responsibility Statement

Custom MMIC Design Services is committed to adhering to all relevant legal requirements, international conventions, and specific market requirements in an effort to provide a product free of substances that could harm the environment or human health.

RoHS Declaration

Custom MMIC Design Services hereby certifies that all it's die and packaged products are in compliance with the European Union Directive 2002/95/EC & 2015/863/EU on the Restriction of the use of certain Hazardous Substances in electrical and electronic equipment (RoHS).

Based on information provided to us from our suppliers, and to the best of our knowledge, Custom MMIC RoHS compliant products do not contain any of the identified substances in excess of the allowable Maximum Concentration Values (MCV).

REACH Compliance

Under the definition of the REACH regulations EC1907/2006, Custom MMIC Design Services is a producer of "articles". REACH requires article suppliers to inform recipients if an article contains a Substance of Very High Concern (SVHC) in excess of the specified value.

Based on the material content information provided to us from our suppliers, and to the best of our knowledge, Custom MMIC products do not contain any of the 191 chemicals identified on the SVHC Candidate List published by ECHA, as of August 2018, in excess of the specified percentages.

This compliance statement is provided to the best of our knowledge based on information provided by our suppliers. Custom MMIC does it's due diligence to verify the information from our suppliers, but we make no warranty for the accuracy of the information provided to us by our suppliers.
